(h) not more than three persons to be appointed by the Chief Minister.

(2) The Chairman of the Management Committee shall be appointed by the Chief Minister on rotation between –

(a) the Director of Forestry Department; and

(b) the Director of Sabah Foundation.

(3) Notwithstanding subrule (2), the Chief Minister may in his absolute discretion appoint such other person as he may deem fit to be the Chairman.

(4) A member under paragraph 1(*h*) shall be appointed for a period of three years from the date of appointment.

**Duration of appointment as Chairman**

6. The Chairman shall hold office for a term of two years from the date of his appointment.

**Secretary of the Management Committee**

7. The Secretary of the Management Committee shall be appointed by the Management Committee from among persons serving in the Sabah Foundation for such period as may be determined by the Management Committee.

**Procedure of the Management Committee**

8. (1) Subject to the Enactment and these Rules, the Management Committee shall have the powers to determine its own procedures.

(2) The Management Committee shall hold a meeting at least once a year.

**Management objectives and role of the Management Committee**

9. (1) The management objectives of the Forest Reserve are –

(a) to protect in perpetuity of as much as possible the biological diversity of the Forest Reserve, expressed at genetic, individual, sub-species, species, habitat and ecosystem levels of organization;

(*b*) to promote research into all aspects of the composition and functioning of the ecosystem of the Forest Reserve including comparative studies of disturbance and recovery processes following logging of nearby areas;

(*c*) to promote education and training in conservation, natural history, ecology, forestry and related sciences;

(*d*) to promote the Forest Reserve for appropriate recreation and nature tourism provided that such activities do not significantly compromise the management objectives for the Forest Reserve; and

(*e*) to integrate the management objectives of the Forest Reserve with other planned development in surrounding areas so as to create a model management area in the Sg. Pinangah Forest Reserve which is constituted under the Forests (Constitution of Forest Reserves and Amendment) Enactment 1984 *[No. 4 of 1984]* that combines conservation, forestry and nature of tourism activities on a sustainable long-term basis.

(2) The role of the Management Committee shall be to plan, co-ordinate, facilitate, monitor and evaluate the management objectives of the Forest Reserve under subrule (1).

**Powers and functions of the Management Committee**

10. The powers and functions of the Management Committee shall be to –

(*a*) advise the Director of Forestry on the conservation and protection of the Forest Reserve;

(*b*) advise the Director of Forestry on the conservation and protection of the Reserve as a permanent tropical rain forest for the purpose of scientific research, protection of ecology, environment and climatic conditions and recreation;

(*c*) advise on any proposal for development within the Forest Reserve;

(*d*) accept or reject any proposed research to be carried out within the Forest Reserve;
